

Only PollCAT™ gives you these Superior Features . . .

Easy mobility and staging – Only 8 lbs. effort to move.

High capacity racks, with a built-in workshelf to fit all precincts.

Easy lift racks with non-skid lift bumpers – no plastic pins.

Heavy-duty ball bearing casters and non-marking, quiet rolling wheels, with locks.

On board power strip for in-rack programming and recharging.

Static discharge tether to protect sensitive electronic components.

Easy strap frame for secure, safe poll distribution on forklifts and in delivery vehicles.

Welded tubular steel (12-gauge) frames with super tough powder coat paint finish.

Ergonomic work tables to improve the programming and set-up process.

. . . With the exclusive PollCAT™ Lifetime warranty.
